

Internal Relief DVMs

Last Modified on 06/23/2025 1:26 pm PDT

Why Start with Internal Relief DVMs?

- We aim to fill DVM schedules, so please seek Internal Relief **before** contacting external services.
- An internal relief day is less expensive than contracting with a premium relief vendor or services (for example: Holiday Vet, Roo, etc.)
- It is generally the case when using Internal Relief your practice's daily revenue, and resulting profit will exceed that of external relief options, making internal relief more financially beneficial for your practice.
- Your clients are already familiar with your internal DVMs, which increases the likelihood that they will schedule appointments and approve recommendations without hesitation.
