

Third-Party Vendors & Posting Shifts (External Relief)

Last Modified on 04/17/2025 1:29 pm PDT

Relief Rover/Hound:

There is a Small Fee for the first booking of a relief DVM. After that, we can book the DVMs directly without any vendor fees.

roo:

Services available in AZ, CO, MN, NV, OR, and WA

Instructions on how to use:

- You should have received an email with logins and an invite for an onboarding call with Roo. You must complete the onboarding call before you can post any shifts to the site.

Process:

- Before requesting any shifts with Holiday Vet, please complete the New Clinic Profile. **New Clinic Profile**
- After you have completed the **new clinic profile** and when you need a shift covered, you can email relief requests to relief@holidayvet.com. Holiday Vets will load them into our scheduling platform for doctors to view.
- Doctors can easily claim shifts using their phone apps, and Holiday Vets will be notified of their interest.

- Holiday Vets will contact the person who sent the original email request to confirm that the original date/shift is still needed.
- If the shift is still needed, Holiday Vets will confirm the doctor and send you their license information, and you'll be all set!
- If the date/shift is no longer needed, Holiday Vets will let the doctor know. There is no charge or penalty for rejecting unconfirmed shifts.
- Please let Holiday Vets know **as soon as possible** if you no longer need previously requested dates/shifts so they may remove them from their calendar.
