CE & Wellness Opportunities 2026

Explore continuing education, professional development, and simple wellness activities to support personal growth and team connection.

Bring Continuing Education to Your Hospital!

Looking for ways to support learning and professional growth? Connect with your vendor partners to explore opportunities for in-house CE sessions, lunch-and-learns, and team training at your hospital.

Encourage your team to explore local veterinary conferences, community learning events, virtual CE sessions, and RACE-approved courses. There are plenty of ways to keep learning and growing together!
